*"Praise him for his mighty acts." -- Ps. 150:2.*

G Major Anne Steele, 1760.

W. W. Parks, 1869.

Lord, when my raptured thought surveys creation's beauties o'er,

All nature joins to teach Thy praise, And bid my soul adore, And bid my soul adore.

Lord, when my raptured thought surveys creation's beauties o'er, To teach Thy praise, All nature joins to teach Thy praise, And bid my soul adore, And bid my soul adore.

All nature joins to teach Thy praise, All nature joins to teach Thy praise, And bid my soul adore, And bid my soul adore.
